Consolidation in our warehouse in Guangzhou

- ◆ Let's open every box
- ◆ Weigh and measure volume
- ◆ Let's count the number
- ◆ Specify color and model
- ◆ We will send a photo and video report
- ◆ Packing for international shipping
- ◆ We will collect in one container and send

We compress clothes into tight bales, check the electronics (turn on each device, if necessary).

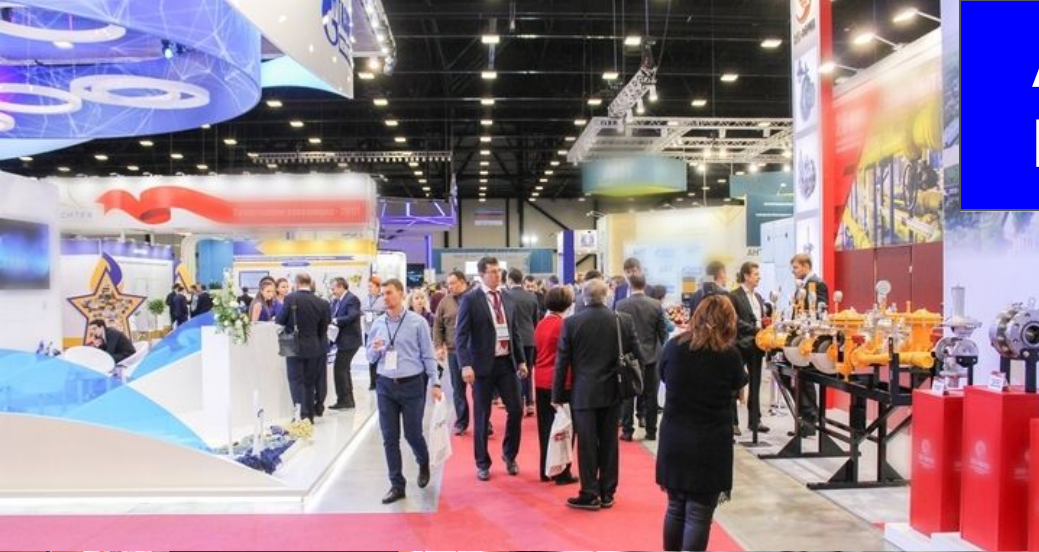

Always be confident in your supplier

Field inspection of suppliers and manufacturers in Guangzhou, Shanghai and Yiwu.

- ◆ Statutory documents (certificates)
- ◆ Qualifications, rating, finance
- ◆ Number of lawsuits
- ◆ Warehouse and production (photo, video)
- ◆ Control purchase of goods
- ◆ Obtaining written guarantees

We will not be deceived, because we have time to report to the police and the court (many intermediaries do not).

Attend China Exhibitions Online

Save over \$1,000 by visiting any trade show in China online.

- ◆ Exhibitions in Guangzhou, Shenzhen, Shanghai
- ◆ 3+ hours of 4K video streaming
- ◆ Translation from Chinese to English
- ◆ We collect business cards, catalogs and offers
- ◆ We will conduct preliminary negotiations

Find a direct supplier or manufacturer for your OEM, ODM product without a trip to China.

Produce products under your own brand

We help to launch OEM, ODM production in China

- ◆ We will help you find a factory
- ◆ We will provide translation services
- ◆ We check the production and the company
- ◆ We organize the conclusion of the contract
- ◆ Request samples
- ◆ We consolidate and send the goods

We are Chinese, so we know about all the tricks of our compatriots and we will achieve the conclusion of a contract that is beneficial for you.

- *Pallet

The cost will be given by the manager

The price depends on the type of packaging, the cost of materials and the number of cubes.

The more m³ you need to pack, the cheaper!

An aerial photograph of a large container ship docked at a port. The ship is filled with colorful shipping containers. The port area is visible on the left, and the surrounding land is on the right. Three blue text boxes are overlaid on the image: one at the top center and two at the bottom left and right.

Fast delivery
but there are always risks

**Up to 3 business
days within China**

**From 25 days to your
country and city**

You receive an invoice for services, packaging and shipping.

See the services that were provided and how much you need to pay for them.

You receive a document that proves the actual provision of services.

Find out the shipping cost before sending the goods to Europe, North America and Oceania.

We work according to the exact price list!
Pay only for the services you order (no interest or hidden fees).

Scheme of getting started when the supplier is already there

Have a supplier?

Immediately write:

+8618027671258

(WhatsApp, [Peris](#))

+86 181 0021 2763

(WhatsApp, [Nicole](#))

We will answer all your questions on cooperation!

1 Hello! I have a supplier. Send me the address of the warehouse and give the manager.

Пишите
Peris **+8618027671258**
или Nicole **+86 181 0021 2763** (WhatsApp)

2 We answer questions (we give links to instructions with answers to questions).

We send the address of the warehouse and the contact of your personal manager.

3 We make a group in WhatsApp (You are the manager - Nurai) and barks access to the personal account of the warehouse!

The manager will answer all questions, if he can't, then Nurai will connect and decide everything.

4 If you agree with the invoice, then the manager helps to transfer the money to us (SWIFT is best).

After receiving the money, we buy the goods from the suppliers.

5 When all the goods arrive at our warehouse, we will give you the opportunity to choose the packaging and delivery method.

6 You receive an invoice for packaging, services and delivery.

We ship your item!

Scheme of starting work when there is no supplier

Orders from 1688 and Taobao must be made through thePanda-order.com parser.

It's comfortable!

1

Studying the instructions [HOW TO PLACE AN ORDER](#) from 1688 and Taobao

The Panda-order.com website will help you place an order quickly and without Excel.

2

Присылаете Перис или Nicol **номер заказа (ORD!)**

+86 180 2767 1258
(WhatsApp, [Peris](#))

+86 181 0021 2763
(WhatsApp, [Nicole](#))

3

The manager will answer questions and send an invoice when he receives answers from suppliers (up to 5 days).

Invoicing speed depends on the speed of response of suppliers.

4

If you agree with the invoice, then the manager helps to transfer the money to us (SWIFT is best).

After receiving the money, we buy the goods from the suppliers.

5

When all the goods arrive at our warehouse, we will give you the opportunity to choose the packaging and delivery method.

6

You receive an invoice for packaging, services and delivery.

We ship your item!

Guide with you

Dong (董安江)

– CEO, 15 years in the logistics business

He builds business processes, engages in recruitment, company marketing, business development and work with key clients.

[Instagram](#) / [YouTube](#) /

Nurai (努雷)

- Commercial Director.

Works with clients, contractors, manages finances. Often solves complex issues that managers could not help with. Engaged in promotion on Instagram and YouTube.
